Leah Krista’s Progress

As many of you are aware, Miss Leah Krista suddenly became ill with a rare staph infection November 11, 2007 in West Chester, PA. She was hospitalized for three and a half weeks then moved to the Brian Medical Center in Low Moor, VA (closer to her family) where she continued her recovery for the next four weeks. She was released on January 3, 2008 to rest and recuperate at home.

Miss Leah/Krista is most appreciative of your prayers, love and spiritual/financial support. During this continued recovery time, Miss Leah/Krista and her family ask that friends hold off a little longer before calling her. It is important that her rest is uninterrupted and her stress level stays low. Please continue to place her in her Light, Angel-to-Angel and send her love.

“It was the Beginning of His Speaking Which Touched Our Hearts”

Leah Krista’s Remembrance of when “He” spoke

“Let not your heart be troubled, neither be ye afraid for I am come that I might awaken you to your Divine Essence that you might remember that which you have forgotten. That you have this Divine Spark and that we all have the same fabric. Your Father and my Father are one, we have all come from the same Source and we have inside of us a “Well Spring of Power” and there is nothing that you cannot do if you tap into that Power. But the most wonderful thing that you can do is to love with all of your heart and all of your strength and all of your mind; because of all the doings that you would ever do, to give freely that love is the most important thing. And I say to you with truth that what is true of me is true of you, if you will accept it. “
