**ENOTA GLACE LLC**

Presents

a Slices of Light Event

**“I AM A WEAVER”**

Saturday, September 20, 2008

“Join us in this new presentation of affirmations, prayers and meditations, assisting us in connecting with our Higher Selves”, expresses Leah Krista Stansell who is Enota’s first speaker.

The title of her presentation is “Activating Your Soul Note”. Leah Krista uses her unique gifts to assist others through personal counseling, workshops, seminars and demonstrations. Her students are spread across the United States, England and Canada. Leah Krista is an intuitive and paranormal investigator and has assisted the police as a psychic investigator. She is author of “Gypsy ET” and “Anja Maya and Adair: Special Assignment, Terra - A Fairie Tale”. Leah Krista is President of the Enota Glace, LLC outdoor conference center. Enota’s mission is to assist individuals in awakening and heightening receptivity to their Divine Spark.

Rick Wilkes will be Enota’s second speaker. He states “I am earnestly committed to helping every willing person to transform their pain into optimal health so they know what it means to be Thriving Now”. His presentation is entitled “The Vibrational Approach to Healing”.

Rick is an emotional freedom coach practicing EFT (Emotional Freedom Techniques) as well as a licensed message therapist who focuses on helping individuals to feel good, really good, using approaches that help people move up the vibrational scale to a connected place of well-being.

Based on impressive new discoveries regarding the body’s subtle energies, EFT has been reported successful in thousands of cases. It applies to a wide variety of emotional, health and performance issues. “EFT offers great healing benefits,” says Deepak Chopra, MD.
